Cathedral of the Pines

Rindge, New Hampshire
"Dedicated to Almighty God
as a place where
All People may worship."

REMEMBERED at the Altar of the Nation, dedicated to Almighty God and a memorial for all the American War Dead, are the Americans killed on the battlefields, on many seas, in the air; the lives of women and men sacrificed in war service as members of the great Service organizations; the sacrifices of the war correspondents and the entertainers; those Americans who sacrificed their lives in war service in the laboratories, the shops and factories in producing the sinews of war. Also gratefully recalled are the sacrifices of the lives of the men and women pioneers in creating our heritage.
